PREFACE

TWO MAJOR CIVILIZATIONS - INDIAN AND SPANISH-INDIAN (OR MEXICAN) - WERE ENCOUNTERED AS WHITE, PROTESTANT SETTLERS LANDED ON AND THRUST WESTWARD FROM THE EASTERN SEABOARD. THE INDIAN WAS HERE FIRST. SOME 30,000 YEARS AGO, THE ANCESTORS OF ALL INDIANS IN NORTH, CENTRAL, AND SOUTH AMERICA CROSSED A NO LONGER EXISTING LAND BRIDGE CONNECTING ALASKA TO THE ASIAN MAINLAND. IN SPREADING OUT ACROSS THE CONTINENTS, THE INDIANS DEVELOPED DISTINCTLY DIFFERENT SOCIAL AND CULTURAL CHARACTERISTICS THOUGH RELATIVELY LITTLE PHYSICAL DIFFERENTIATION OCCURRED. THE GREATEST OF INDIAN CIVILIZATIONS DEVELOPED IN THE CENTRAL AREA OF THE GREAT LAND MASS WHERE THE TOLTEC, AZTEC, MAYA, AND INCA NATIONS HELD POWER. HOWEVER SEVERAL INDIAN PEOPLES IN THE PRESENT UNITED STATES REACHED HIGH LEVELS OF SOCIAL AND POLITICAL ORGANIZATION, TECHNOLOGIC SKILLS, CULTURAL INTEGRATION, AND OF ADAPTATION TO PARTICULAR ENVIRONMENTS.

ALL INDIAN CULTURES WERE SEVERELY AFFECTED BY EUROPEAN CIVILIZATION WHICH WAS INIMICAL TO AND, HENCE, COULD NOT TRULY COEXIST WITH THE CIVILIZATIONS OF THE INDIANS. THE PROCESS - ENCROACHMENT OF WESTERN BASED CIVILIZATIONS ON INDIGENOUS PEOPLES - IS A FAMILIAR AND AN ONGOING ONE IN THE ARCTIC, IN CENTRAL AND SOUTH AMERICA, THE PHILIPPINES, INDIA, AFRICA, AUSTRALIA, INDONESIA AND ELSEWHERE. TRIBAL CULTURES REPRESENTING CAREFUL ADJUSTMENTS OF MAN TO NATURE WHICH HAVE BEEN DEVELOPED OVER CENTURIES ARE, UPON ENCOUNTERING WESTERN CIVILIZATION ON THE LATTER'S TERMS, DEMORALIZED, DECIMATED BY DISEASE AND FORCE OF ARMS, OVERWHELMED BY SHEER NUMBERS, RENDERED LEGAL NONENTITIES, AND SUDDENLY MADE TO APPEAR IGNORANT, USELESS, AND IDLE BY LACK OF KNOWLEDGE, UNDERSTANDING, AND APPRECIATION OF WESTERN CULTURE AND TECHNOLOGY. SOME DISAPPEAR ENTIRELY; SOME ASSIMILATE TO A GREATER OR LESSER DEGREE; OTHERS STRUGGLE ON IN THE SHADOWS MAINTAINING THE OLD WAYS AND ENDURING THE CONSEQUENCES; SOME BECOME WARDS OF THE GOVERNMENT CONFORMING TO BUREAUCRATIC REGULATIONS IN RETURN FOR PEACE AND SOME PROTECTION.

MEXICAN-AMERICANS ARE, ESSENTIALLY, INDIANS WHO WERE ALMOST COMPLETELY ASSIMILATED BY A EUROPEAN CULTURE THROUGH RELIGIOUS PROSELETYZING, INTERMARRIAGE, ECONOMIC PRESSURE, AND FORCE OF ARMS. THE HISPANO-INDIAN CIVILIZATION WHICH HAD EVOLVED BY THE EARLY 19TH CENTURY WAS PRIMARILY PASTORAL, PASSIVE, AND SOMEWHAT BEHIND THE TIMES IN TERMS OF TECHNOLOGY, POLITICS, AND EDUCATION. IT WAS NO MATCH FOR AN AGGRESSIVE, ACQUISITIVE, ENERGETIC SOCIETY DRAWN TO THE SOUTHWEST BY THE TWIN LURES OF LAND AND GOLD. SO THE CULTURE SUFFERED MUCH THE SAME FATE AS THAT OF THE INDIANS WHICH IT HAD, ITSELF, REPLACED OVER A 300 YEAR PERIOD.

IT IS FITTING, BIBLIOGRAPHICALLY, TO CONSIDER INDIANS AND MEXICAN-AMERICANS TOGETHER SINCE THEY SHARE MANY SIMILARITIES:

A SHARED RACIAL BACKGROUND, THOUGH SOME MEXICAN-AMERICANS ARE OF PURE SPANISH DESCENT, HEIRS OF THE CONQUISTADORS.

TREATY STATUS WHICH PERMITS CLAIMS TO BE MADE FOR LAND, PAYMENTS, RIGHTS, ETC.

CULTURAL-RELIGIOUS SYSTEMS WHICH VARY FROM THE PREVAILING NORM.

LOW ECONOMIC, EDUCATIONAL, SOCIAL, HEALTH, AND VOCATIONAL STATUS.

ACTIVIST MOVEMENTS AIMED AT ACHIEVING STATUS, AUTONOMY, ECONOMIC ADVANCEMENT, CULTURAL DIFFERENTIATION, ETC.

BEYOND THESE SIMILARITIES LIE DIFFERENCES WHICH ARE EXTENSIVE. MEXICAN-AMERICANS ARE, MOSTLY, A REGIONAL MINORITY CONCENTRATED IN THE SOUTHWEST WHILE THE INDIANS ARE A NATIONAL MINORITY. IN MEXICO ITSELF THE MEXICAN-AMERICAN STILL HAS A CULTURAL MODEL REPRESENTING THE CONTINUA-

TION OF THE ONE OVERWHELMED AND STALEMATED BY THE MORE DYNAMIC CIVILIZATION OF THE YOUTHFUL UNITED STATES. THERE IS ALSO THE MATTER OF SHEER NUMBERS. INDIANS ARE A SMALL MINORITY; BUT MEXICAN-AMERICANS ARE THE SECOND LARGEST RACIAL MINORITY IN THE UNITED STATES. THE BIBLIOGRAPHIES THAT FOLLOW ARE INTENDED TO PROVIDE ASSISTANCE TO NAVY GENERAL LIBRARY PERSONNEL IN DEVELOPING COLLECTIONS RESPONSIVE TO THE NEEDS OF MINORITY AND MAJORITY GROUP PERSONNEL ATTEMPTING TO GAIN INSIGHT TO PAST AND CURRENT ISSUES AND PROBLEMS AFFECTING INDIANS AND MEXICAN-AMERICANS AND TO DEVELOP APPRECIATION FOR THEIR MANY CONTRIBUTIONS TO AMERICAN LIFE AND THOUGHT.

INCLUSION OR EXCLUSION OF A BOOK IMPLIES NEITHER APPROVAL OR DISAPPROVAL BY THE NAVY. MOST TITLES ARE IN PRINT IN EITHER OR BOTH CLOTHBOUND AND PAPER. MANY OLDER WORKS ARE BECOMING AVAILABLE THROUGH REPRINTING AND, OF COURSE, THERE IS OBSERVABLE A STEADY INCREASE IN THE NUMBER OF NEW WORKS BEING WRITTEN AND PUBLISHED SO THAT THIS BIBLIOGRAPHY SERVES ONLY AS A STARTING POINT AND GUIDE.

'I am tired of fighting. Our chiefs are killed. Looking Glass is dead. The old men are all killed... It is cold and we have no blankets. My people have run away to the mountains... no one knows where they are.

I want time to look for my children and see how many of them I can find. Maybe I will find them among the dead.

Hear me, my chiefs, I am tired; my heart is sick and sad. From where the sun now stands I will fight no more forever.'

—Chief Joseph of the Nez Perces

WRIGHT, MURIEL H. A GUIDE TO THE INDIAN TRIBES OF OKLAHOMA. Univ. of Oklahoma Pr., 1951. 300p. $5.95

A handbook which treats 65 tribes in alphabetic order, providing for each: family, locations, numbers, history, government, contemporary life and culture, and ceremonials. While concerned only with tribes actually represented in Oklahoma, these are so numerous that the book is of general value. Wright is Choctaw.

Myths, Religions, etc.

ASTROV, MARGOT, ed. THE WINGED SERPENT: AN ANTHOLOGY OF AMERICAN INDIAN PROSE AND POETRY. John Day, 1946. 366p. (Paperback edition by Putnam, 1962. $2.45 has title: AMERICAN INDIAN PROSE AND POETRY)

Translations of various literary forms. Not confined to North American Indians.

CURTIN, JEREMIAH. CREATION MYTHS OF PRIMITIVE AMERICA. Benjamin Blom, 1969. 532p.

First issued in 1898 under a slightly different title. A compilation of myths of the Windus Indians of California and basically for scholars. Curtin establishes the fact that the myths form a complete religious system which closely parallels the myth systems of such peoples as the Greeks and Romans; particularly the metamorphic aspects in which common elements of nature are seen as former gods who have been changed into a plant or animal expressing their character.

Post-Columbian Period - General, Regional, Tribal

A LARGE LITERATURE EXISTS ON INDIANS AND INDIAN HISTORY AS AFFECTED BY CONTACT WITH EUROPEANS. MUCH OF IT IS ACADEMIC AND SCHOLARLY IN NATURE. EARLIER WORKS IN PARTICULAR TEND TO REPRESENT BIASES WHICH ARE AT ODDS WITH CURRENT, POSITIVE ATTITUDES. THE PERIOD WITNESSED THE PHYSICAL CONQUEST, LEGAL ENCHAINMENT, IMPOVERISHMENT, AND CULTURAL AND MORAL DEGRADATION OF THE INDIAN. COLONIAL AND UNITED STATES POLICIES FALL INTO FOUR CATEGORIES: ANNIHILATE, REMOVE PHYSICALLY, SURROUND AND SEGREGATE, AND ASSIMILATE. THE WEIGHT OF OFFICIAL POLICY AT ANY GIVEN TIME MIGHT LEAN MORE TO ONE POLICY THAN TO THE OTHERS, BUT ALL TENDED TO BE IN FORCE AT ALL TIMES WITH THE EMPHASIS CHANGING BY REGION AND TRIBE. ROUGHLY STATED NORTHEASTERN AND CALIFORNIA TRIBES WERE ANNIHILATED, SOUTHEASTERN TRIBES WERE FORCIBLY REMOVED, PLAINS, SOUTHWESTERN, AND NORTHWESTERN TRIBES WERE SURROUNDED AND SEGREGATED, AND HARDLY ANY TRIBES, AS OPPOSED TO INDIVIDUALS, WERE ASSIMILATED.

The Seneca were the greatest of the Northeastern tribes, dominating the Iroquois Confederacy, and a vital element in English-French conflicts. Caught between such forces, they slowly deteriorated. Then Handsome Lake, a messianic prophet, instituted a new pagan-Christian religion which revitalized and reunited the tribe. Emphasis is on the period 1801-1815.

Mitchell's study was first published in 1949 and is an impressionistic account of the lives of Indians who retain tribal ways as best they can while working on construction projects. Wilson, living in upstate New York, became highly conscious of the problems of the Iroquois peoples. His account provides historic background but concentrates on Indian efforts to right old wrongs.

Southeastern Tribes

VAN EVERY, DALE. DISINHERITED: THE LOST BIRTHRIGHT OF THE AMERICAN INDIAN. Morrow, 1966. 302p. $8.50; pap. $2.50; pap. Avon, 1966. $1.25

The forced removal of the Choctaw, Creek, Cherokee, Chicksaw, and Seminole tribes from the Southeastern states between 1832-1838 followed a long struggle which is described here. Grant Foreman's THE FIVE CIVILIZED TRIBES (Univ. of Oklahoma Pr., 1934. 455p. $8.95; pap. $3.95) picks up the tribes in their new locations and describes the period from 1830 to the Civil War, a period in which the tribes accustomed themselves to their new lands, and reorganized their governments. Angie Debo's AND STILL THE WATERS RUN (Gordian Press, 1940. 417p. $9.00) continues the history. For a time the Indians were protected in Oklahoma. The pressures began to build up again as movements to the west accelerated. With the opening of the Oklahoma Territory the Indians again were cheated, robbed, and forced to make concessions. Debo tells the story in detail.

APACHES

ADAMS, ALEXANDER B. GERONIMO, A BIOGRAPHY. Putnam. 1971. 320p. $7.95

The Apache tribes resisted Spanish, then Mexican attempts to take over their lands. Americans were at first considered friends and allies in the struggle against Mexico. However this attitude was reversed when the U. S. too attempted to conquer the Apache. A popular account of the fierce struggle that was waged under Geronimo's leadership. For Geronimos own account of his life see GERONIMO, HIS OWN STORY, newly edited by Frederick W. Turner III. Dutton, 1970. $6.95 and Ballantine, 1971, $1.25. Geronimo recounted his adventures in 1909 while a prisoner of war. The book is particularly valuable for coverage of his treatment in captivity. Odie B. Faulk's THE GERONIMO CAMPAIGN (Oxford, 1969. 245p. $6.00) describes General Mile's grim pursuit of Geronimo during 1885-86.

PREFACE

The five million or more Mexican-Americans constitute the second largest racial minority in the United States. Their regional limitations and comparative lack of recognition in literary, scholarly, political, artistic, sports and other fields have made them one of the least recognized, known, and understood minority groups. Once rural folk, as a rule, Mexican-Americans are now mostly city dwellers. As such they confront many of the urban problems which afflict other disadvantaged urban minority groups.

Books by and about Mexican-Americans are scarce though the supply is expanding fairly rapidly. The reasons for the situation are various, but the end result is that almost any publication must be given consideration whether it be ephemeral, scholarly, cursory, biased, dated or otherwise a book that would normally be passed over by small general libraries.

Included in the bibliography to follow are some out-of-print and fugitive titles as well as some books announced for publication. Excluded from the list were books on such related matters as Spanish exploration and conquest, Mexican-United States relations, the mission system, Mexican history, art, culture, etc., histories of states, and other periphiral works. Spanish language books are not included though libraries of Commands having a number of Mexican-Americans among ships company will want to consider acquiring, newspapers, magazines, recordings, books, etc., in Spanish and specifically related to Mexican-Americans.

A partially autobiographical study of the process by which people from the villages of Mexico made their way to the U. S. and, once arrived, became acculturated. The time is the 1920's and 30's when there was much immigration from Mexico. The contention is that the immigrants have never lost their sense of being Mexican as well as American.

BROWN POWER

"Brown Power", is a multi-faceted movement. It is a labor movement to improve the lives of agricultural workers and other laborers through collective bargaining, to reduce both illegal, or "wetback", and legal importation of low cost Mexican labor to compete with Mexican-Americans, to achieve better housing for migrant workers, to promote appointment of Mexican-Americans in civil service, etc. Where the Treaty of Guadalupe Hidalgo applies, it is a movement to regain control of or to be indemnified for the old Spanish colonial and Mexican government land grants, primarily in Colorado, New Mexico, and California. Recognition and use of the Spanish language in public schools having Mexican-American pupils is a primary goal. Development of a political front with other Spanish speaking/Spanish colonial cultural segments of the total population is an aim, a difficult one to achieve because the groups concerned - Mexican-Americans, Puerto Ricans, Cubans, Filipinos, other Central and South American peoples - have relatively little in common beyond language and dominant religion. Like the Indians, Mexican-Americans wish to dispel myths and misconceptions and to promote among Americans generally an affirmative and respectful view of their cultural-social ways and values. There is a movement to return to the basic Indianness of the Mexican-American, to cut back through the colonial overlays and to draw strength and purpose from the enduring land and spirit of Aztlan.

ARMANDO GARZA LEAL, JR., Hospital Corpsman 3c - On 4 September 1967 the 1st Marine Division platoon with which Petty Officer Leal, of San Antonio, Texas, was serving came under heavy enemy fire. Although painfully wounded himself, Leal rendered aid for two hours to wounded Marines who were located between friendly and enemy lines. While treating his comrades and moving them to protected areas, Petty Officer Leal was severely wounded for a second time and despite being immobilized, calmly continued to aid his wounded comrades. A Marine tried to drag him to a covered position, but was shot in the hand and, at that time, Petty Officer Leal received a third wound. Petty Officer Leal pushed the Marine and told him to take cover from the assaulting enemy whom they both could see. Suddenly a North Vietnamese soldier fired a machine gun from close range, mortally wounding Petty Officer Leal. For his exceptional courage and unfaltering dedication to duty in the face of great personal risk Petty Officer Leal was awarded the Navy Cross. A new BEQ at NAS, Beeville was dedicated to him on 6 May 1971.
